How to make a mini pukapuka

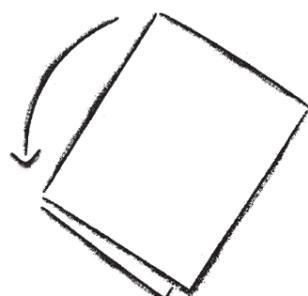

tākai

Tahi

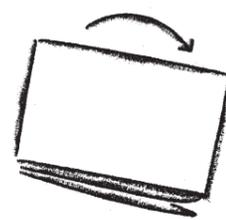

Fold the paper in half lengthwise (Short edge to short edge)

Rua

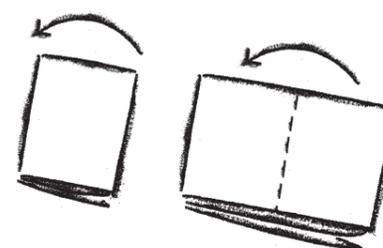

Fold the paper in half lengthwise again.

Toru

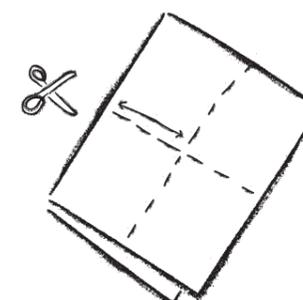

Fold the paper in half lengthwise one more time.

Whā

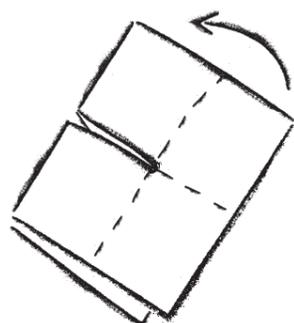

Unfold the paper twice so it only has one fold in it.

Rima

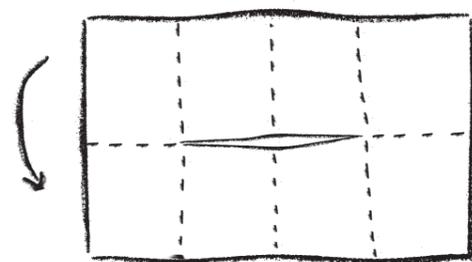

Cut along the crease between the arrows. Make sure you start the cut on the folded edge and finish in the centre where the creases meet!

Ono

Unfold the paper to reveal the hole you've cut in the centre of the page.

Whitu

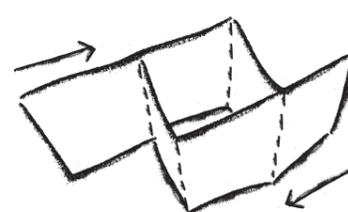

Fold the paper in half but this time long edge to long edge.

Waru

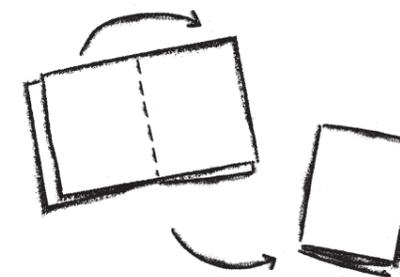

Grab the edges and pinch the sides inwards making a diamond shape with the slit.

Iwa

Keep pushing the edges in till you flatten the diamond so you have one fold in the middle.

Tekau

Now fold it in half. All done!
