

I like to do things myself, just like Māui Tikitiki.

I'm interested in other tamariki. I'm starting to learn about getting along with others.

I always get told to share, "Tohatoha, pēpi, tohatoha".

I can be full on sometimes, from the minute I wake up, to the time my head hits the pillow, I'm on the go.

I think my kaitiaki get a bit tired some days especially if I'm sick and need extra awhiawhi.

I love my
waiata, especially
ones with actions.
Pūkana! Takahia!
