

Pēpi says

I'm amazed at what my tongue can do. I like to practise different sounds and I'm starting to use more words.

I love playing in my own home. I feel safe.

I have my favourite pukapuka and recognise the pictures.

I'm beginning to have tantrums – that's me struggling with my emotions.

I like to do things myself, just like Māui Tikitiki.

I'm interested in other tamariki. I'm starting to learn about getting along with others.

I always get told to share, "Tohatoha, pēpi, tohatoha".

I can be full on sometimes, from the minute I wake up, to the time my head hits the pillow, I'm on the go.

I think my kaitiaki get a bit tired some days especially if I'm sick and need extra awhiawhi.

I love my waiata, especially ones with actions. Pūkana! Takahia!
